Vermeulen

The EOS Early Career Women in Photonics Award is presented to honor a young female scientist who has made outstanding contributions to photonics.

**THE AWARD CONSISTS OF A DIPLOMA  
AND AN HONORARIUM OF €2500.**

**APPLICATION DEADLINE:  
4 APRIL 2025**

**Eligibility:** Any woman, EOS member, active in the field of photonics, within ten years of the completion of their first PhD by 1 Dec 2024, excluding career breaks (e.g. eldercare, maternity leave, adoption), may apply for the award.

The prestigious award ceremony will take place during a plenary session at the 2025 CLEO®/Europe-EQEC conference, held in Munich, Germany.

**How to apply:** Candidates should fill out the [application form](#) and send a list of supporting documents that they can find on our [website](#):
